**Text Messages:** St. Agnes utilizes an app called "Remind." You can download it from your App Store and you can receive text messages through this app. This information will be updates and reminders during the week so these kinds of notices be necessary. All parents will be automatically entered to receive text messages from St. Agnes. (If you decide you do not want this communication, please notify the school office.)

**Weekly Newsletter:** In general, this email blast will be sent on Fridays and will include a variety of information. This includes things that happened at school that week and upcoming dates and informational reports that are important to parents. There may also be community updates and events that are important to our parents as well. Be sure to check this communication out weekly.

**Teacher's Emails:** Each teacher takes time to design and send an email blast weekly. In general, these updates are about what is going on in the classroom and provides a snapshot of what you can ask your student.

**Room Parent:** Our PTO has established a room parent system in which each classroom has a volunteer room parent who assists with coordinating in-classroom activities and communication to parents. Look for emails that would include, but not limited to, classroom parties (such as Christmas and Valentine's Day), classroom competitions and teacher appreciation opportunities. Stay tuned for more information.
